

| Saturday (22.10.2022) | Sunday (23.10.2022) | Monday (24.10.2022) | |
|---|--|--|-------|
| | 07:30 – 09:00 Interactive Case Discussion Case presentations: • Greyzone Lymphoma • Anti-PD1 Failure • COVID19 immunity in lymphoma • Primary progressive HL | 07:30 – 09:00 Advanced Stages • Improving BEACOPP • Improving ABVD | 07:30 |
| 08:45 – 10:15 Workshops and Seminars • Seminar: Living beyond lymphoma • Seminar: The HL Microenvironment • WS: PET beyond Deauville • WS: Older Patients | Coffee Break | • Oral Abstract Presentations • WS Report: Time for Innovative Trial Designs (<i>tbd</i>) | 09:00 |
| | 09:15 – 10:15 Emerging Cellular Therapies – a Role in HL? • Emerging indications for cellular therapy • Cellular Therapy in HL • New concepts in cellular therapy | 09:15 – 10:15 Special Situations in HL • HL in Pregnancy • HIV-positive HL • alloSCT in the era of anti-PD1 | 09:15 |
| Coffee Break | Coffee Break | | 10:15 |
| 10:30 – 12:00 Workshops and Seminars • Seminar: Radiotherapy • WS: Bringing Liquid Biopsy to Patients • Seminar: Learning from Pediatric HL • WS: NLPHL • WS: Time for innovative trial design | 10:30 – 12:00 Living beyond Lymphoma • Heart & Lung Toxicity after HL Treatment • Informed decision making | 10:30 – 12:00 Genomics, Biology and Microenvironment • Biological Classification of HL by Liquid Biopsy • Single Cell Transcriptomics of HL | 10:30 |
| | • Oral Abstract Presentations • WS Report: Living beyond Lymphoma | • Oral Abstract Presentations • WS Report: Bringing Liquid Biopsy to Patients | 12:00 |
| Coffee Break | Coffee Break | Coffee Break | |
| 12:15 – 13:45 Satellite Symposium | 12:15 – 13:45 Satellite Symposium | 12:15 – 13:45 Satellite Symposium | 12:15 |
| | | | 13:45 |
| Coffee Break | Coffee Break | Coffee Break | |
| 14:00 – 15:30 Early Stages • Standard treatment of early-stage HL Note: with RAPID Update • Individual risk assessment of RT in HL | 14:00 – 15:30 Older and Frail Patients • Treatment Allocation in Older HL Patients • Managing an Older Lymphoma Patient | 14:00 – 15:30 Relapsed / Refractory HL • 1 st Relapse of HL • Novel developments in R/R HL | 14:00 |
| • Oral Abstract Presentations • WS Report: NLPHL | • Oral Abstract Presentations • WS Report: Older Patients | • Oral Abstract Presentations | 15:30 |
| Coffee Break | Coffee Break | Closing Remarks with Conference Highlights | |
| 16:00 – 17:30 Satellite Symposium | 16:00 – 17:30 Satellite Symposium | 16:00 – 17:30 Farewell | 16:00 |
| | | | 17:30 |
| Coffee Break | Coffee Break | | |
| 18:00 Opening and Award Ceremony | 18:00 – 19:30 Immunotherapy • Immunotherapy approaches in 1 st -line HL • How I currently treat HL with immunotherapy | | 18:00 |
| 19:00 – 20:30 Poster Session and Welcome Reception | • Vision Corner: Opening talk • Pitches (Clinical Trial in Progress & Abstract Pitch) • Oral Abstract Presentations | | 19:00 |
| | | | 19:30 |
| | | | 20:00 |
